Looked After Children Policy

Date Issued	March 2018
Governor Approval Date	May 2018
Date of Next Review	March 2020

Definition

'Looked After' is a term that refers to children for whom the Local Authority is sharing parental responsibility. This can happen either with parental agreement or when a Court makes a Care Order. The child may be living with foster carers, in a residential unit, with family members or sometimes with their parents. These children are therefore subject to corporate parenting. This policy includes requirements set out in "Statutory guidance on the roles and responsibilities of the designated teacher for look after and previously looked after children February 2018".

Head Teacher: Julia Lawson
Designated Lead: Ami Henkes
Governor Responsible: Claire McDonald

Thornhill Primary School recognises that all pupils are entitled to a balanced, broad-based curriculum and aims to promote the educational achievement and welfare of pupils in public care. The school and the governing body welcomes Looked After Children (LAC) who may be looked after by our local authority or those who may be in the care of another authority but living in the Houghton Regis or surrounding areas.

Thornhill Primary School's approach to encouraging and supporting the educational achievement of Looked After Children is based on the following principles:

- Ensuring an appropriately trained Designated Teacher is appointed, who will be responsible for all Looked After children and those previously looked after.
- All Looked After Children will have a Personal Education Plan (PEP) drawn up between the school, the child, and the child's social worker, which will identify the child's individual needs and the support they require.
- Having high expectations for the child and ensuring equal access to a balanced and broadly based education.

- Recording, monitoring, and improving the academic achievement of the child in addition to their health and wellbeing.
- Achieving stability and continuity.
- Prioritising reduction in exclusions and promoting attendance.
- Promoting inclusion through challenging and changing attitudes.
- Promoting good communication between all those involved in the child's life and listening to the child.
- Maintaining and respecting the child's confidentiality wherever possible.
- Ensuring staff awareness of, and sensitivity to, the difficulties and educational disadvantages of Looked After Children.

Rationale

Many children and young people who are in care have suffered abuse or neglect. Despite having as broad a range of abilities as their peers, Looked After Children are particularly vulnerable to underachievement. Nationally, Looked After Children (LAC) significantly underachieve and are at greater risk of exclusion compared with their peers. Their academic and social progress is likely to be affected by their experiences, and compounded by instability in their personal circumstances. 75% of Looked After children leave education with no formal qualifications. Only 12% go on to further education compared with 68% of the general population. Helping LAC succeed and providing a better future for them is a key priority in our school.

Thornhill Primary School recognises that Looked After Children can experience specific and significant disadvantage within a school setting, and is committed to ensuring that they reach their potential in all areas. We are aware that some Looked After Children may have specific difficulties in attendance, doing homework, getting parental consent for activities, obtaining funding for extra activities, obtaining correct uniform and equipment, as well as stigma about their circumstances. Thornhill Primary School recognises that Looked After Children may have very specific needs and may be coping with trauma, abuse or rejection, and are likely to experience personal distress and uncertainty. As a result the school will make the following provisions to ensure that we can support any Look After child to the best of our abilities. For example:

- Me time – 1:1 personal sessions.
- Emotional support – e.g. identifying feeling/ coping strategies.
- Designated adult – someone they can talk to, share their worries and concerns – yet still feel safe.

Thornhill Primary School believes that the educational experience of all children should be positive and powerful and aims to provide a learning environment in which every Looked After Child and previous Looked After Child can be successful. We believe that this school has a major part to play in ensuring that LAC are able to be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic wellbeing. We will do this through the teaching of our PSHE program, British values as well as promoting our own school values.

Confidentiality

Information about looked after children will be shared with school staff on a “need to know” basis. The Designated Teacher will discuss what information is shared with which school staff at the PEP meeting. Once this has been agreed with the social worker, carer, young person, and other parties, complete confidentiality is to be maintained.

Record keeping and information sharing

The Designated Teacher will keep an up-to-date record of Looked After Children and Young People in school and will ensure that relevant information is made known to appropriate staff.

A Personal Education Plan will be initiated within 20 school days of the Looked After Child or Young Person starting at the school or being taken into care and will be reviewed regularly and as necessary and appropriate to meet the needs of the LAC/YP. The PEP will provide a regular opportunity to review progress, note any concerns and ensure that all relevant parties are informed accordingly.

Copies of reports and appropriate documentation will be sent to authorised carers and agencies involved with the child as well as any receiving school at point of transition.

It is vital that the Looked After Child or Young Person is aware of information being recorded, in what circumstances and who will have access to it. How this is shared with them will depend on their age and level of understanding.

Exclusions

Thornhill Primary School recognises that Looked After Children are particularly vulnerable to exclusions.

Where a LAC is at risk of exclusion the school will try every practicable means to maintain the child in school. A multi-professional meeting will be arranged, bringing together all those involved with the young person to discuss strategies to minimise the risk of exclusion.

The child or young person’s Personal Education Plan will reflect strategies to support the child and where relevant those employed in the Pastoral Support Plan. All relevant measures and resources will be considered to provide support and provide alternative educational packages to prevent an exclusion from happening.

Please refer to the school’s Behaviour Policy for more information.

Staff development and training

Arrangements will be made to ensure that the Designated Teacher is kept up to date with developments relating to the education and attainment of Looked After Children This will be arranged by Central Bedfordshire and Virtual Schools throughout the academic year. These may include EAL, being Gifted and Talented or having learning or physical needs. Teachers with responsibility for Special Educational Needs provision and for children who are Gifted and Talented will be informed of those Looked After Children who have particular gifts, talents or learning needs and will work with them appropriately.

We recognise that due to care arrangements LAC may enter school mid-term and that it is important that they are given a positive welcome and where appropriate additional support and pre-entry visits to help them settle.
