

Leopards Creative

Tasks

In Leopards class we have had a great week being creative! For our music task we have listened to a piece of music called the 'Carnival of Animals' by French composer Camille Saint-Saëns and made some beautiful animal masks. Aren't they amazing?!

Some of us have also created a shoe box habitat. They look fantastic!

To celebrate Chinese New Year we wanted to see what we could make with paper plates linked to the wonderful traditions. We made lanterns, dragons, fans and musical instruments.
