

## Lynx

In Lynx Class, we made a link between the whole school quiz about music, and our history and geography work. We looked at the history and culture of music and dance in Greece and created some musical instruments based on those played in Ancient Greece. Some children even had a go at traditional Greek dancing.

## Jaguars

In Jaguars' Class, we explored the music theme alongside our Class Reader *Stretchchild*, by Berlie Doherty, which is set in the Victorian era. Popular instruments of the time were: violins, pianos and music boxes. It seems most of the children in Jaguars were really 'taken' with the violin!
