

Lynx Creative Tasks

In Lynx Class last week, we used Disney's Hercules as a stimulus for some super art in the style of a Disney animation and script writing of a scene. The children in school even became the characters and acted out their scripts.

Hercules: What's up Phill?
 Phill: Nothing much you?
 Hercules: The king has asked me to do all of these jobs. The first job I had was to defeat the lion that walks around Wilzen village. Hopefully the king doesn't send me any more jobs to do. I am so tired
 Phill: Let's hope he doesn't send you any more jobs .
 Phill: HERCULES LOOK BEHIND YOU QUICK!
 Hydra: What are you doing in my swamp!!!!
 Hyra: bruh, get out.
 Hercules: no i am not getting out
 Hercules: Phill grab me my sword
 Phill: On it
 Hydra : i'm going to eat you .
 Hercules: Phill help me .
 Phill: Ok hang on i will burn his tail
 Hydra : OUCH!!!!
 Hercules : Thanks Phill
