'Empowering children through sustainable, diverse, arts-enriched education'

E-Safety Acceptable User Policy Agreement – Early Years and KS1

This agreement will be delivered by teachers to all children who are asked to sign the agreement. They will ensure that children fully understand each aspect of the agreement.

I want to feel safe all the time. I agree that I will:

- always keep my passwords a secret
- talk to my teacher before using anything new on the internet, especially if not part of the ones given
- only work with people I know in real life
- tell my teacher if anything makes me feel scared or uncomfortable
- make sure all messages/postings I send or write are polite
- show my teacher if I get a nasty message
- not reply to any nasty message or anything which makes me feel uncomfortable
- not give my mobile phone number to anyone who is not a friend in real life
- only communicate with people I know when using for example messages
- only use my school email
- not tell people about myself online (I will not tell them my name, anything about my home and family and pets)
- not load photographs of myself or others online without checking with an adult first
- never agree to meet a stranger

Anything I do on the computer may be seen by someone else.
