School ethos

Thornhill School community recognises that bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying, our schools can help to create a safe, disciplined environment, where pupils are able to learn and fulfil their potential.

As a school we:

- Monitor and review our anti-bullying policy and practices on a regular basis.
- Support staff to promote positive relationships, to help prevent bullying.
- Recognise that some members of our community may be more vulnerable to bullying and its impact than others; being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensure our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Require all members of the school community to work with the school to uphold the anti-bullying policy.
- Report back to parents/carers regarding concerns on bullying, dealing promptly with complaints.
- Seek to learn from good anti-bullying practice elsewhere.

Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The Headteacher/designated safeguarding lead or another member of leadership staff will interview all parties involved.

- The designated safeguarding lead will be informed of all bullying issues where there are safeguarding concerns.
- The school will inform other staff members, and parents/carers, where appropriate.
- Consequences (as identified within the school behaviour policy) and support for individuals will be implemented.
- If necessary, other agencies may be consulted or involved, such as: the police (if a criminal offence has been committed) or other local services including early help or children's social care (if a child is felt to be at risk of significant harm).
- Where the bullying takes place off school site or outside of normal school hours (including cyberbullying), the school will work with parents to ensure that the concern is fully investigated. Appropriate action will be taken, including providing support for all children involved.
- A clear and precise account of the incident will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying – Online Bullying

When responding to cyberbullying/Online bullying concerns, the school will:

- Take all available steps where possible to identify the person responsible.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to educate the person responsible in order to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
