'Every child is unique and at the heart of everything we do'

Panthers Class Learning Journey **Week beginning 11th September 2017**

ENGLISH:

Our English lessons will be based around 'Varjak Paw' by SF Said.

The children will:

- Participate in discussions about the text that is read to them.
- Make inferences and predictions based on the text and images.
- Learn to infer a character's feelings, actions and motives.
- Plan and rehearse sentences orally before writing.
- Form a simple argument from a fictional experience.
- Use descriptive vocabulary to describe a scene.

MATHS:

Year 4 will learn:

- About the value of each digit in a 4-digit number
- To compare and order numbers
- To solve number problems

SCIENCE

The science unit will focus on States of Matter. This week Year 4 will learn:

- About the properties of solids, liquids and gases.

TOPIC

Our topic for the autumn term is: The Ancient Greeks. This week the children will learn to place the ancient Greece in history.

ART

This term our artwork will correspond with our Ancient Greek topic. We will be designing theatre masks, decorating vases in the Ancient Greek style and creating Ancient Greek columns out of clay.

INFORMATION:

Homework will be given out on a Friday and is due back by Tuesday. Homework activities generally consolidate what has already been learnt in the week so the children should be able to complete it independently. However, should your child find it too challenging please let me know. It is expected that children will read every night as well as complete their times table activity.
