'Every child is unique and at the heart of everything we do'

Lynx Class Learning Journey 21st February 2019

LITERACY

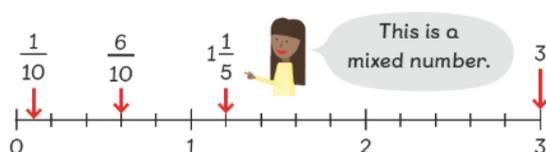

In our English sessions this week the children will be focusing on diary writing. Last week we learned about the features of a diary and practised writing entries from the perspective of a character in a story. This week we will be looking at the use of slang in non-fiction diaries.

In our reading sessions we will be continuing to read our class book, 'the lion, the witch and the wardrobe'. Hopefully, we will be finishing this book at the end of this week ready to start a new one next week. Our next book will be **Butterfly Lion by Michael Morpurgo**. If you are able to, please help the children to be successful in their reading sessions by getting them their own copy of the book (Available on Amazon for less than £3).

NUMERACY

This week we will be learning about fractions. Have a look at some of the problems below to see the sort of level the children will need to master.

Write each number on the number line as fifths.

Is this possible?

cut a cake into 4 equal pieces. He took a piece.

cut the other 3 pieces into 6 equal pieces. She took 3 pieces.

Who took more cake?

SCIENCE

This week the children will be learning about how plants reproduce without using seeds. It's a great time of year to be having a look in garden centres for seed growing packs that will be really exciting over the next few months. Help your children get a better understanding of plant reproduction by growing some of your own plants or even vegetables.

TOPIC

In our topic session this week, we will be focusing on history. Last week we learned all about the reign of William the Conqueror. This week we turn our attention to King John, the King who had some troubles with a well-known children's story character we all know – Robin Hood.
