

Some questions we will answer this half term...

Which countries are in Great Britain?

What is it like in each of those countries?

Why is our world so wonderful?
How was planet Earth made?

How do the seasons affect us in the UK?

Year 1 - Lions

Our Topic is...

We are Britain!

Summer 1 2019

Things to do at home...

- Look for signs of Spring in your garden or out and about. Can you spot blossom growing, buds, birds singing, bees etc.

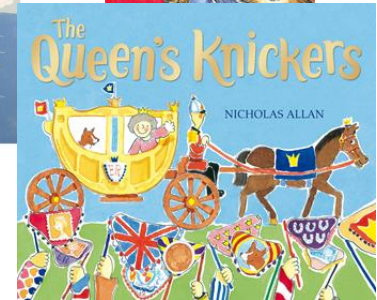

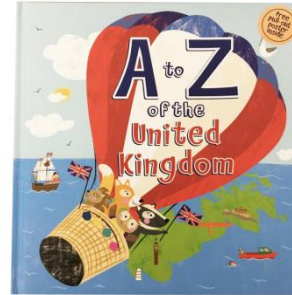

- Discuss your family beliefs about the creation story.

- Talk about visits you have been on within the UK. Where are they on a map? What is it like there?
- Research London. Have you ever visited? What important people and places are there?

Here are some books you might want to look for...
