'Every child is unique and at the heart of everything we do'

Panthers Class Learning Journey **Week beginning 6th May 2019**

ENGLISH:

The children will:

- To retell a story graphically
- To retell a story from a character's point of view
- To edit and improve my writing

MATHS:

Year 4 will learn to:

- Measure volume using decimals
- Convert units of volume
- Measure height

SCIENCE

- This term Y4 will build on their understanding of hearing. This week the children will explore different ways of making sounds

TOPIC

- Our topic for the summer term focuses on World War 2. We will consider what it was like for evacuees having to leave their homes and move to the countryside for unknown periods of time.

PE

- Year 4 will be developing their skills through a range of sport including athletics, rounders and swimming.

INFORMATION

- Please remind your child to bring in their PE kit every Tuesday and their swimming kit every Thursday.

HOMEWORK:

Homework will be given out by Wednesday and is due back by Tuesday the following week. Homework activities generally consolidate what has already been learnt in the week so the children should be able to complete it independently. However, should your child find it too challenging please let me know. It is expected that children will read, practise their spellings and/or timestables every night.

Thank you
Mrs Kuevi
