

A big hello to all at Thornhill Primary School

Dear Parent,

Aspens Services Ltd has been chosen by Thornhill Primary School to provide your children's school dinners. To help you decide what option to choose for your child's school meal, we would like to tell you a little bit about the food we provide.

Many of the team at Aspens have school children and as parents, we understand how important this decision is. You want to make sure that your child eats at lunchtime, what they have is nutritionally balanced and also that the option you select is value for money. We can't make this decision for you but hopefully this leaflet will help.

We are passionate about serving fresh, high quality and locally sourced ingredients and we have a team of experienced, creative chefs that keep our menus exciting and tasty for your child to enjoy.

We care about our food and this is reflected in our menus. We source our products carefully and incorporate seasonal produce into our dishes. We taste test our food with children and listen to what they tell us before finalising our menus.

All dishes are made from scratch in the school kitchen. They include a choice of protein rich main courses, fresh vitamin-packed vegetables and fruit, rice and pasta and tasty desserts that will give your child energy to keep them going all day.

We will shortly be sending out menus and fridge magnets for you to keep at home so you can make informed choices about what your child eats.

Making School Meals Fun

To encourage children to try new foods and to clean their plates, we run a programme of special days during the year.

The promotions range from school linked activities, special days and weekly themed events. We also run competitions to encourage creativity when it comes to food. They will be advertised in advance through the school or on our website.

Bubble & Squeak

We promote our meals through the characters Bubble and Squeak, who are at the top of the page. Throughout the year they will help us promote our food and special theme days. They are great fun and the children really like them.

Get in Touch

If you would like to talk to us, get in touch via email on info@aspens-services.co.uk or call us on **01866 821511**. You will also find a host of information on our website www.aspens-services.co.uk.
