'Every child is unique and at the heart of everything we do'

Lynx Class Learning Journey 26th April 2019

LITERACY

In our English sessions this week the children will be learning about poetry. We will be writing limericks and emotions poems exploring the idea of figurative language in poetry. These types of poems will help children to understand that writing poetry is actually all about having fun and expressing your thoughts and feelings. Here is a great example.

There was an Old Man with a beard, who said, "It is just as I feared!—
Two Owls and a Hen, four Larks and a Wren,
Have all built their nests in my beard!"

NUMERACY

Our numeracy this week will focus on geometry. This week we will be learning about angles and how to measure them using a protractor. If you have a protractor available at home, now would be a great time to have a go at learning to use one with your child. Remember to be as accurate as you can.

Reading VIPERS

This week we will be starting our new VIPERS book, *Oranges in No Man's Land*. You can easily get hold of your own copy on Amazon for less than £1. This would allow your child to get ahead of their learning and experience a great book in the process.
