*'Every child is unique and at the heart of everything we do'*

## Lynx Class Learning Journey

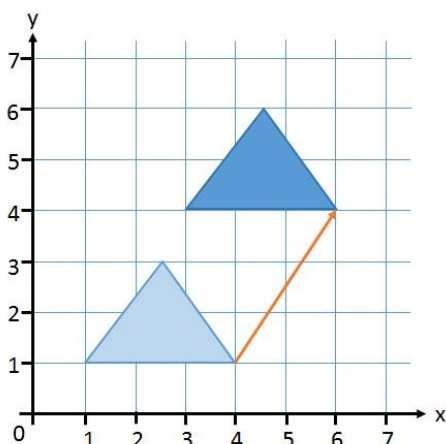

3<sup>rd</sup> May 2019

### LITERACY

In our English sessions this week the children will be learning about letter writing. Our writing will be inspired by our class reading book, Oranges in No Man's Land.

### NUMERACY

Our numeracy this week will focus on geometry. The children will be learning about shape translation. Translation is when a shape moves from one position to another position on a grid. We describe this movement using rules such as: down 4 and left 5. A more complex grid might show the shape on different size grid which includes half spaces.

### Reading VIPERS

We have started our new reading VIPERS book (Orange's in No Man's Land).

So far we have covered some interesting vocabulary that is worth discussing at home to explore some of the concepts that will arise in this story.

### New vocabulary to practise

Lebanon	Beirut	elaborate
checkpoint	infested	tattered
tattered	ferocious	beckoned

Please ask your child how to use each of these words over the weekend.
