'Every child is unique and at the heart of everything we do'

Lynx Class Learning Journey

3.6.19

LITERACY

In literacy this week, the children have been learning about writing instructions. The theme of these instructions is 'How to travel by bubble?'.

Throughout the week the children have been learning some brilliant vocabulary that can be used to describe bubbles and the feelings surrounding this theme. Below are some great words to explore together which may also be in your child's spelling homework this week.

ascend	emerge	cascade	envelop
descend	rebound	inflate	gasp

NUMERACY

In Numeracy this week we will be learning about how to convert between units of measure. We will look particularly at meters and kilometres, and grams and kilograms.

Below is a conversion chart that may help you to discuss this with your child.

m	km
1000	1
500	0.5
250	0.25
100	0.1
50	0.05

SPELLING

The children receive spelling homework every week. This term we are aiming for 15/15 for every child every week.

Please make sure that your child completes their spelling practice on a daily basis and bring it with them to school every day.

D-DAY

This week is the 75th anniversary of D-DAY; an especially important day in British history. We will spend some time learning about what happened on D-DAY and the impact that it has had on how we live our lives now.
