*'Every child is unique and at the heart of everything we do'*

## Lynx Class Learning Journey

10.6.19

### LITERACY

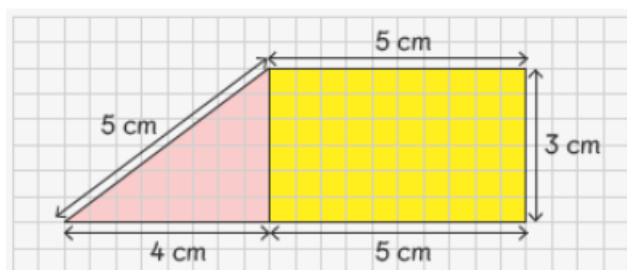

In literacy this week, the children will be writing up their set of instructions for how to travel by bubble on Monday and Tuesday. The children have worked really hard on this piece of work so we are expecting great things.

On Wednesday, we will be beginning our next unit of work on story writing. Our focus will be sci-fi stories so we will be looking at some brand new vocabulary. Have a look below for some new vocabulary that might be helpful to learn for this week.

anonymous	luminous	imminent	mechanical
beastly	ominous	melancholic	bleak

### NUMERACY

This week, we will be learning about area and perimeter in our maths lessons.

Perimeter = 22 cm

The perimeter is the length around the outside of a shape or space.

**SPELLINGS – We are focusing heavily on contextual spellings in class at the moment.**

**These are this week's spellings for all children.**

Companion	Helm	Discard
Telescope	Propeller	Ponder
Horizon	Mechanism	Navigate
Defeat	Incinerate	Approach
sorrow	Eradicate	remember

**Test is 10.30 next Friday!**
