Date Issued	Summer 2019
Governor Approval Date	Summer 2019
Date of Next Review	Summer 2021

Introduction

Thornhill Primary School has a strong commitment to the potential added value of learning outside the classroom and away from the school premises. Well-planned and executed educational visits provide our pupils with valuable experiences which enhance their learning at school. They offer opportunities to enrich the curriculum, enabling the children to have first-hand experience of a wide range of topics and activities, and should reflect the needs of all, taking account of gender, ethnicity, culture, religion, language, sexual orientation, age, ability, disability and social circumstances.

The Nature of School Visits

Each year group has a planned programme of visits and visitors designed to enhance learning across the curriculum. There are also additional activities designed to foster links with other schools, and promote achievement in areas such as leadership, sports and music. These trips may include, but are not limited to:

- Local area walks
- Visits to other local schools
- Sporting fixtures and tournaments
- Day visits to places of historical, cultural, religious or other interest to support specific curriculum areas.
- Short residential trips designed to develop team building skills and pursue adventurous activities.

Planning and Risk Assessment

All staff are expected to follow Local Authority guidelines in order to ensure that groups of children can, with parental permission, be taken away from the school site to undertake activities safely. All trips must be planned and approved using the EVOLVE online system.

The school nominates an Educational Visits Coordinator (EVC) Patricia Kuevi and Suzanne Peak who has the responsibility to support staff, ensure policies are followed, and check that forms have been correctly completed, before submitting them for final approval by the headteacher. All approval should be granted at least two weeks before the date of the trip. In the case of adventurous activities (as outlined in the LEA guidance), approval should be sought at least 4 weeks before the planned date of the trip. This includes any residential trips, as well as trips to theme parks and some sporting activities.

Evolve

The EVC is available to provide support and training for staff when using the Evolve system.

The following key points should be noted:

- All teaching staff have a personal log in and Evolve account
- Staff should refer to LA guidance and exemplar documentation when completing Evolve forms.
- Staffing should be confirmed prior to forms being completed wherever possible. This should be in consultation with Headteacher.

All staff involved with each trip should be familiar with the relevant Risk Assessment prior to attending the visit.

Roles and Responsibilities

The Governing Body is responsible for:

- ensuring that guidance is available to inform the school policy, practices and procedures relating to the health & safety of pupils on educational visits;
