

THORNHILL PRIMARY SCHOOL

Bobcats Learning Diary

Week beginning Monday 17th June

Personal, Social and Emotional Development

- We will be practising getting ourselves undressed and dressed for PE.
- We will be focusing on this terms school value
- We will be setting new personal targets, looking at our achievements so far.
- We will be looking at our work and talk about our own achievements.
- We will be ensuring we follow the rules of basic hygiene, remembering to wash our hands after the toilet and before we eat.
- We will be encouraged to work with others to complete physical challenges.
- We will be encouraged to try new challenges in our learning.

Physical Development

- We will continue to develop our hand writing and learn to sit our writing correctly on the line.
- We will be using larger equipment such as balls, skipping ropes and hoops to develop our gross motor.
- In PE we will be developing our skills in hopping, skipping, jumping, running, throwing and catching. We will be practising running for sports day using the lanes on the field.

Communication and Language

- We will be practising following instructions given by others.
- We will be sharing ideas and discussing how to make them even better.
- We will be developing our skills to listen to one another and respond to questions.
- We will be asking questions to find out about things that interest us.
- We will be developing our knowledge of vocabulary and applying it in our learning.

Literacy

- This week we will be focusing on the book "Astronauts puzzle"
- We will be writing a list of what we would take into space.
- We will be developing our high frequency word recognition.
- We will be creating a flap book rocket and writing about a character.
- We will be continuing with our RWI sessions (phonics)
- We will be looking at sentences and match pictures.

Maths - Problems solving

- We will be weigh in different ways and making predictions of heavier and lighter.
- We will be using stop watches to solve different challenges in a minute.
- We will be finding different ways to make 10 and 20.
- We will be looking at distances and positional language by flying paper aeroplanes.

Understanding the world

- We will be using the laptops to find information.
- We will be looking at space, planets and stars.

Expressive Arts and Design

- We will create our own galaxies and planets by using different effects.
- We will be using recycled materials to create our own rockets.
