

THORNHILL PRIMARY SCHOOL

Tigers Class Learning Diary

Week beginning: 17th June 2019

Literacy

Over the course of two weeks, the children will be learning about newspapers. During this week they will look at the key features, the importance of newspapers and why people read them. The outcome of this unit will be the children writing a newspaper report about a mountain survival.

This week's spellings are focused on the spelling rule words with the s sound spelt sc. Test will be on Friday

Maths

Currently, the children are still learning about fractions. The class will be adding, subtracting, multiplying and dividing fractions.

The children will do daily times tables tests for 2,3,4,5,6,7,8,10,11 and 12. It is very important that children are practicing their times tables at home as it is a big part of their maths work in class.

This week's time's table focus is 9 times and divide times tables.

To develop your child's times-tables, there are many different websites they can play on. Topmarks is a very good website and can also broaden their understanding of maths. Also use the website Mathsframe to test their timestables on the multiplication check.

Topic

This week in geography the children will be looking at mountain climates. During this session the children will learn the terms snowline and treeline. We will learn to understand the mountain climates and how altitudes affect living conditions. We will also be looking at the equator and the tropics and where they are positioned.

P.E

This half term the children will focus on athletics with our Rising Star coach. Assessment information will be passed on to us.

In our Thursday session, we will be taking part in various activities to develop our throwing and catching skills through the unit fielding games. We will aim to play fast cricket at the end of our unit as well as preparing for sports day.

Information

All children must read at home at least three times a week with an adult. The adult must also date, comment and sign the child's record book. Don't forget to ask your child questions about the book which also develops their understanding of the text further.

Every Thursday the children will bring home a library book and an activity book. This book **MUST** be returned the following Thursday to allow the children to change them.

Happy reading!

Homework

Homework will be handed out on a **Friday** afternoon to be completed and returned no later than

Monday
