'Every child is unique and at the heart of everything we do'

Panthers Class Learning Journey **Week beginning 1st July 2019**

ENGLISH:

The children will:

- Learn about relative clauses
- Learn how to accurately proof read

MATHS:

Year 4 will learn to:

- Describe positions on a 2-D grid as coordinates in the first quadrant
- Plot specified points and draw sides to complete a given polygon
- Describe movements between positions as translations of a given unit to the left/right and up/down

SCIENCE

- This week Y4 will begin to work scientifically and will make careful observations of leaves, bark, buds, tree shape and flowers. They will use these observations to classify the plants and will record this information using keys

TOPIC

- Our topic for the summer term focuses on World War 2. Y4 will learn about the experiences of Jewish children during the war

PE

- Year 4 will be developing their skills through a range of sport including athletics and swimming.

INFORMATION

- Please remind your child to bring in their PE kit every Tuesday and their swimming kit every Thursday.

HOMEWORK:

Homework will be given out by Wednesday and is due back by Tuesday the following week. Homework activities generally consolidate what has already been learnt in the week so the children should be able to complete it independently. However, should your child find it too challenging please let me know. It is expected that children will read, practise their spellings and/or timestables every night.

Thank you
Mrs Kuevi
