'Every child is unique and at the heart of everything we do'

Panthers Class Learning Journey **Week beginning 24th June 2019**

ENGLISH:

The children will:

- Revise the features of a set of instructions
- Draft and write a clear set of instructions
- Edit, improve and present their instructions using ICT
- Learn about relative clauses

MATHS:

Year 4 will learn to:

- Complete simple symmetric figures with respect to a specific line of symmetry
- Draw a line of symmetry for a 2d shape
- Solve problems using their knowledge of shapes

SCIENCE

- This week the children will be assessed on what they have learnt in this unit.
- Over the next few weeks Y4 will begin to work scientifically and will make careful observations of leaves, bark, buds, tree shape and flowers. They will use these observations to classify the plants and will record this information using keys

TOPIC

- Our topic for the summer term focuses on World War 2. Y4 will learn how people protected themselves during the bombings

PE

- Year 4 will be developing their skills through a range of sport including athletics and swimming.

INFORMATION

- Please remind your child to bring in their PE kit every Tuesday and their swimming kit every Thursday.

HOMEWORK:

Homework will be given out by Wednesday and is due back by Tuesday the following week. Homework activities generally consolidate what has already been learnt in the week so the children should be able to complete it independently. However, should your child find it too challenging please let me know. It is expected that children will read, practise their spellings and/or timestables every night
