

THORNHILL PRIMARY SCHOOL

Leopards Learning Diary

Week beginning: 9.9.19

Literacy

This week in literacy the children will be writing about personal experiences familiar to them through stories with a familiar setting. This week we will be reading the story Not Now Bernard by David McKee where children will learn to describe the characters, order the story through role play and writing and write a book review as to whether they liked the story or not.

The children will be bringing home spellings this week. They are linked to what they are learning in phonics this week. They must be practiced at home and returned to school on Friday. 😊

Maths

This week in Maths the children will be exploring numbers 0-10 through counting and ordering. They will work on identifying missing numbers and counting on from any given number. Children will also get to explore using a tens frame to help them count numbers correctly.

Let's Learn

Topic

This week is International week across our school where each class will learn about a different continent around the world. In year 1 we will be exploring Australia where we will learn about their animals, aboriginal art and stories and make comparisons between Australia and the UK. If you have anything at home linked to this that the children would like to bring in and show, we would love to share it 😊

P.E

The children will begin their P.E sessions this week, working on developing their throwing and catching skill and begin to apply these in a range of activities.

Information

Juice and biscuits will begin this Friday. If your child has already paid for last week, this will carry over to this week. Please could the children bring their 20p into class where they can sign their name off the list 😊

Homework and Reading

Homework will be linked with literacy and Maths and some weeks children will receive some topic based homework. Homework will be handed out on a **Wednesday** and **must** be returned to school by the following **Monday** in order to be marked. **Children who do not complete their homework on time will complete it during lunchtime on Wednesday.**

We would also like the children to complete their homework in pencil.

Please try and read with your child at least 3 times a week and record it in their reading record to support them in moving up through the stages.
