

Jaguars Learning Diary

Continent week

We are looking at SOUTH AMERICA...
...and will be doing lots of activities based on this continent.

Week commencing - 09.09.19

English

We will be completing reading and writing activities based on South America! We will also be preparing for our first unit of writing, which will look at biographies.

Spelling, Punctuation and Grammar (SPaG) will be practiced throughout every week. Our focus this week is sentence structure.

Maths

In Maths this week, we will concentrate on Number and Place Value. We will be reading and writing numbers to 10 million, comparing and ordering numbers as well as rounding. Times tables will be practised throughout the week.

Science

We will be starting our 'Light up Our World' topic, where we will learn that a light source, an object and our eyes are needed to see. Key vocabulary to be learned is: **transparent, translucent and opaque.**

Topic

We will start reading our Key Text: Middleworld, which links directly with our topic on the Ancient civilization of the Maya. The first chapter set directly during this time, gives us valuable insight, leaving the reader craving for more and fully supporting our knowledge and understanding.

INFORMATION

It is important for all children to be in school uniform at all times.

Our PE days are on Thursday and Friday. Please ensure your child has the correct PE kit as we are not able to provide spares. Any children without a PE kit will be given a lunchtime detention.

Homework

Homework will be given out **twice** a week. See below:

Given out: Wednesday **Returned: Friday**

Given out: Friday **Returned: Tuesday**

Please ensure **all** homework is completed and returned on time. Any children who do not complete their homework (without a valid reason) will be given a lunchtime detention and will be expected to complete it then.

Thank you
Mrs. Gordon
