

I joined the Board of Governors late in 2018 as I have 2 children that have been in Thornhill Primary School since my eldest joined nursery in 2012 and I felt it was time for me to give back to the school.

I have a strong business and financial background and currently own my own business based in Toddington. I feel that I have strengths that can be beneficial to the Board of Governors.

I believe strongly in the school motto 'Every child is unique and at the heart of everything we do' and I am looking forward to working with my fellow Governors and members of staff to make Thornhill Primary the best it can be.
