'Every child is unique and at the heart of everything we do'

Panthers Class Learning Journey
Week beginning 23 September 2019
Caldecotte Residential Trip

ENGLISH:

Our English lessons will be based around 'The Viking Boy' by Tony Bradman.
The children will:

- Revise irregular verbs in the past tense
- Revise features of a recount

MATHS:

Year 4 will learn:

- To round numbers to the nearest 10, 100 and 1000
- To estimate by rounding

SCIENCE

- There will be no science lesson this week as Y4 will be on their residential trip

THEME

- Our topic for this term is 'The Vikings'. This week we will learn where the Vikings fit into British history and discuss how we know (by looking at various resources) that they lived a long time ago

PE

- Year 4 will be developing their skills at netball and a range of invasion games this term.

INFORMATION

- Please remind your child to bring in their PE kit every Tuesday and Wednesday.

HOMEWORK:

Homework will be given out usually on Wednesday and is due back by Monday. Homework activities generally consolidate what has already been learnt in the week so the children should be able to complete it independently. However, should your child find it too challenging please let me know. It is expected that children will read, practise their spellings and/or timestables every night.

Thank you
Mrs Kuevi
