'Every child is unique and at the heart of everything we do'

Panthers Class Learning Journey **Week beginning 28th October 2019**

ENGLISH:

Our English lesson will be based around our class book 'Viking Boy' by Tony Bradman. This week Y4 will:

- Analyse a non-chronological report
- Identify the features of a non-chronological report.
- Research and organise information in order to write a non-chronological report
- Plan a report

MATHS:

Year 4 will learn to:

- Solve 2-step problems
- Multiply by 6 and 7

SCIENCE:

- Year 4 will continue to learn about the properties of solids, liquids and gases. They will investigate how various materials melt and draw conclusions.

THEME

- Our topic for this term is 'The Vikings'. This week we will use a range of sources to find out about Viking longboats.

PE

- Year 4 will be developing their skills at netball and a range of invasion games this term.

INFORMATION

- Please remind your child to bring in their PE kit every Tuesday and Wednesday.

HOMEWORK:

Homework will be given out usually on Wednesday and is due back by Monday. Homework activities generally consolidate what has already been learnt in the week so the children should be able to complete it independently. However, should your child find it too challenging please let me know. It is expected that children will read, practise their spellings and/or timestables every night.

Thank you
Mrs Kuevi
